

2023-2024 Rockets Online Campus Parent Comments

Parent Comments:

- ❖ The teachers are amazing!
- ❖ My child is able to do the schoolwork at their own pace.
- ❖ All is great! We love the flexibility!
- ❖ If my daughter needs help she gets it.
- ❖ He is able to focus on school work and not the other students.
- ❖ My daughter has access to teachers and help pretty much whenever she needs it.
- ❖ He is actually doing his work and enjoying school again.
- ❖ My daughter loves the community at the meetings and is enjoying the daily activities, especially math.
- ❖ The teacher does a fantastic job at creating a classroom like environment for the ROC kids.
- ❖ If we have any issues the teachers are always quick with answers back and getting things straighten out.
- ❖ The teachers are very helpful. We love that they are available during the school day to help with any questions he may have.
- ❖ My daughter has brought her grades up and is independent.
- ❖ ROC Canvas format is consistent across classes; instructor communication is prompt.
- ❖ My son seems to be doing better overall. It seems to be helping him get back to his happy self.
- ❖ The flexibility of time for completing schoolwork. There is no pressure for completing work for a certain time during the day.
- ❖ ROC is easier for my child to ask questions because she wouldn't ask for help before.
- ❖ The weekly requirements to turn in work is very beneficial.
- ❖ ROC is providing active lessons in Spanish.
- ❖ My son seems comfortable with all classes this year.
- ❖ My daughter can go at her own speed.
- ❖ My son gets better grades and he seems a lot happier since being on ROC.
- ❖ Communication is great!
- ❖ My kids are getting their work done and teachers are available if they need help.
- ❖ Communication seems to be better between my child and the teacher.
- ❖ Quick responses to questions from ROC and an easy to follow format.
