

NEWS FROM THE ROC CENTER

ROCKETS ONLINE CAMPUS NEWSLETTER

FALL/ WINTER 2023

The Rockets Online Campus has a successful start to the 2023-2024 School Year!!!

The 2023-2024 school year kickoff was a huge success again this year for the Rockets Online Campus. The Rockets Online Campus (ROC) has made many adjustments to continuously improve programming for our students. Many of the changes compared to last school year include new elective offerings, enhanced special educational programming, an intervention program, and additional faculty and staff. The enhancement of additional live supports and academic coaching allow for support for students from 8:00 AM until 7:00 PM every school day. This factor alone has provided extremely positive results for our students.

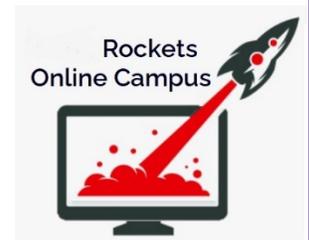

The ROC continues to provide our students with time for synchronous meetings, as well as 24-hour access to their curriculum. The daily live sessions and supports are optional, but strongly encouraged for student achievement. We are continuing to review students at a minimum of every two weeks to ensure that they are being successful. Struggling students are encouraged to take advantage of our supportive services. If a student needs help; the ROC faculty and staff are one click or call away.

I would like to take this opportunity to welcome back all of our returning families and students and also encourage our new students this year to take advantage of what we have to offer. You are not alone and you do have a network of supportive services available at ROC. The Rockets Online Campus team works endlessly to support all students. If you are struggling in anyway, please call us immediately at 814-827-0565. We are here to help. Successful students do put in the time with their work, but they also allow our teachers to interact with them when they are struggling. All of our faculty and staff are willing to go the extra mile to see each student achieve. Please don't hesitate to contact us. We can help you and look forward to hearing from each and every student.

Sincerely,

Michael McGaughey, Sr., ROC Administrator

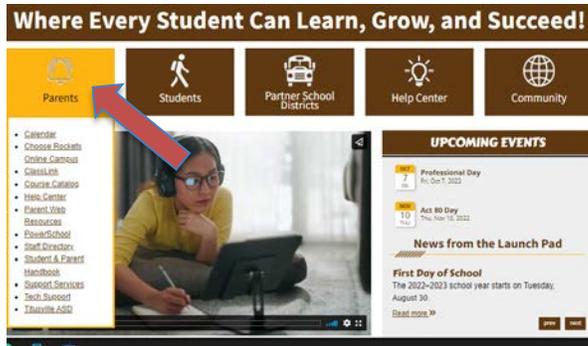

The Rockets Online Campus website provides a one stop spot for information

The Rockets Online Campus website is a wealth of resources for both students and parents.

The web address is www.rocketsonlinecampus.org.

We hope that you visit the website to help meet any of your needs. The parent section of the website might be of interest to you:

This parent section has many resources for our ROC parents. In addition to the information regarding our ROC programming, it has other resource links. The Help Center link provides a one-click location to getting your student assistance.

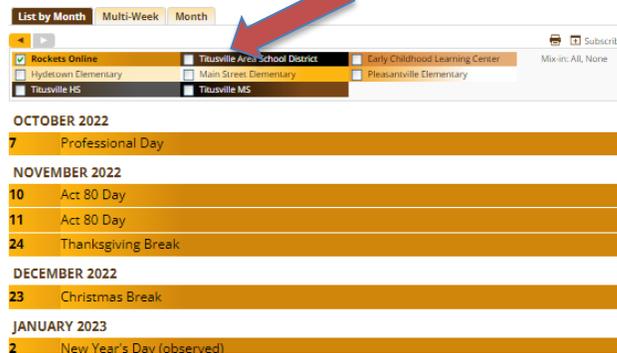

Where Every Student Can Learn, Grow, and Succeed!

ROC Calendar

Calendar

Look here for school vacation dates, teacher in-service days, deadlines, events, and more. Take advantage of our interactive calendar features to send notifications directly to your electronic devices.

By default, you have the Rockets Online Campus checked. (If your child is a Titusville Area School District student, you can also stay current with other opportunities and activities that your child can participate in throughout the Titusville Area School District).

The Parents section of the website can also give you instant access to supportive services, tech support, Power Parent access to view your student's grades and attendance, web resources, ClassLink and a digital copy of the Rockets Online Campus Student and Parent Handbook. All of these documents are downloadable or simply viewable on our website for your reference.

Our goal is to make our website, as well as all of our programming, as user friendly as possible. If you have any suggestions or recommendations, please reach out to us at 814-827-0565.

ROC Online Campus Attendance Procedures

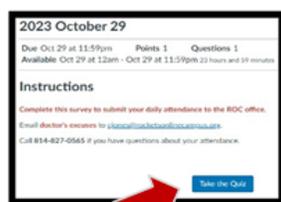

1. Click the Attendance button on your ClassLink page.

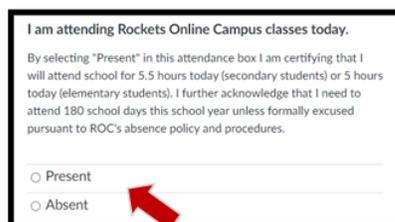

[This takes you to the Homeroom course in Canvas.

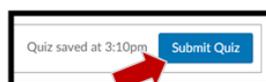

2. Click on the current date in the current MOD.

3. Read the instructions. Click on Take the Quiz.

4. Read the information in the box and make the appropriate selection.

5. Submit the Quiz.

You must submit your attendance between 12:01 a.m. and 11:59 p.m. every school day.

Go to <https://watch.screencastify.com/v/T2KxheukPTmpSvv8UbBy> for a demonstration of the attendance procedures.

Importance of the Daily Attendance APP

All Rockets Online Campus students MUST click this and complete the form daily for attendance. This submission will also serve as a daily communication system for our students and the ROC Center faculty and staff. Again, ALL STUDENTS ARE REQUIRED TO DO THIS DAILY. Skipping the attendance app submission is like skipping a homeroom class in traditional school.

You must also do work in Canvas or SeeSaw for the day to count as a day of lawful attendance. Failure to do both the attendance app and failure to go into the Canvas or SeeSaw platform will result in an unlawful absence and truancy.

*****Remember*****

Doing the attendance app submission DAILY is mandatory. This is how the Rockets Online Campus reports your attendance.
If you have any issues with submitting your attendance, call 814-827-0565 for help.

Importance of attending the synchronous meetings

Students that attend these meetings do extremely well academically.

| Grade Level | Type of Support | Details |
|---------------------------------|-------------------|---|
| Grades K4- K5 - 10:00 AM | Morning Meeting | The Morning Meeting is a daily virtual meeting with synchronous learning. The meet includes: sharing time, skills practices, story time, movement activities, and fluency drills. There is also a preview of the day's activities. More importantly, a sense of community is established through this meeting. |
| Grade 1 - 10:30 AM | | |
| Grade 2 - 10:00 AM | | |
| Grade 3 -10:30 AM | Check in and Chat | The Check-in and Chat is a daily virtual meeting with synchronous learning. There is a greeting and chat time. Questions from the assigned lessons are reviewed with an opportunity to practice skills and get support. The daily lesson is also discussed. Students have an opportunity to interact with peers in a structured school setting. |
| Grade 4 - 11:00 AM | | |
| Grade 5 - 11:00 AM | | |
| Grade 6 -11:30 AM | Helpline | Both 6 th grade teachers are available to support English Language Arts, Math, Science, and Social Studies courses. Additional help can occur also during this time with our on-demand tutoring. |
| Grades 7-12 - 9:30 AM – 1:30 PM | Online Help | All four secondary teachers are available to support English Language Arts, Math, Science, and Social Studies courses. Additionally, help for all subjects can occur during this time. Help is just a click away with the Online Help Line! |
| On Demand Academic Coaching | Academic Coaching | Call 814-827-0565 between 8:00 AM and 7:00 PM and virtual academic coaching is available. You can ask 100 questions and we are just happy to help! |

Morning Meetings, Check in and Chat, and Online Help Hours

These meetings are scheduled and available for students to ensure that they understand what they are doing in their classes. More importantly, connecting with their teachers is essential to student achievement and success. Many students use the Morning Meetings, Check in and Chats, and the Helplines to ensure what they are working on is going in the right direction. This is similar to when you are in traditional school and you ask the teacher for help with the directions and to have example problems explained. We encourage ALL students to use this feature of the ROC to help you achieve!

Rockets Online Campus On-Demand Supports

More supports have been added to the Rockets Online Campus Team to help all of our students this year. Any time during the typical school day (8:00 AM to 7:00 PM) a student can call in for on-demand academic coaching. Our ROC team members will help with any subject or even technology issues. Students can even arrange regularly scheduled academic coaching time or work sessions virtually. Students who have taken advantage of these on-demand support services have improved their grades.

You can call the ROC Center for help from 8:00 AM to 7:00 PM daily at 814-827-0565.

At the Rockets Online Campus all students have access to our faculty and staff during the school day. Reach out to the ROC Center for help at 814-827-0565 to talk to your teachers or for additional help when you need it. Help is just one phone call away!!!!

ROC Power Parent Access

If you want to see your student's grades and attendance, use the ROC Power Parent Access!

The parent portal is an online portal accessible on any device that parents can log into and see all of their children's grades, assignments, scores, and attendance. Information, such as the user name and passwords, will be mailed to each parent. At any time, parents can call our ROC Center at 814-827-0565 to get help accessing this powerful tool to keep parents informed about their child's progress

Rockets Online Campus Faculty and Staff Provides Students with Advice on How to Achieve Online

| | | | |
|--|--|--|---|
| <p>Mrs. Edwards</p>  | <p>Come up with a daily or weekly schedule and stick to it. Stay in contact with your teachers and join us on the helpline if you have questions or need help.</p> | <p>Mrs. McGaughey</p>  | <p>Follow a schedule even though you are home. Ask for help from your teachers. Check in daily at the meets. Turn in your assignments on time. Set a timer to take breaks.</p> |
| <p>Mrs. Slocum</p>  | <p>Online learning requires hard work and perseverance. Consistently practice both to be successful.</p> | <p>Mrs. Corklin</p>  | <p>ROC Students-Make quarter 2 your best! With the craziness of the holiday season, you may feel overwhelmed. Be sure to create yourself a daily or weekly schedule, and stick to it. Also, if you have a question, contact your teachers!!</p> |
| <p>Miss McHenry</p>  | <p>If you are having trouble with an assignment, reach out to your teachers for help! We are not mind readers. If you don't let us know you are struggling, we won't know how to help you. Send us an email or join the helpline to get your problems solved before you fall behind.</p> | <p>Mrs. Lesh</p>  | <p>One of the most important things you can do to ensure your success on ROC is to communicate with your teachers. If you have questions or need help, we won't know unless you communicate with us. The helpline is the fastest way to get help during the day and I promise it isn't as scary as it may seem! We are all more than happy to help you!</p> |
| <p>Mrs. McGill</p>  | <p>Set up a designated learning environment. Establish a schedule for completing your assignments. Communication is key with your teachers.</p> <p>Utilize all of the ROC resources for help.</p> | <p>Mrs. Covell</p>  | <p>Online learning does offer more flexibility in your school day, it's very important to set a schedule and create good work habits! The beginning of the week is a great time to go over your course work for the week and write down assignments in a notebook. You can then tackle the work and check it off when it's complete!</p> |
| <p>Mrs. Jones</p>  | <p>Do your attendance app first thing every day.</p> | <p>Mrs. Sterling</p>  | <p>Do your work! You will then pass your classes!</p> |

| | | | |
|---|---|--|--|
| <p>Mr. Wig</p>  | <p>Students, call ROC if you need help! We are here and waiting to help you, but you have to call.</p> | <p>Mr. Baldwin</p>  | <p>Keep your Chromebook charged and in a safe place.</p> |
| <p>Dr. Sawtelle</p>  | <p>Best things you can do for your success at ROC are pretty simple. Create a schedule for yourself. ROC courses are designed for 45-50-minute lessons. Without a bell schedule it is easy to get overwhelmed, and work too long on one thing. Recommend that you start school as close to the same time every day, start a timer for 50 minutes and get to work, when the timer goes off, stop. Take a break (set a timer for this also), then go back to work.</p> <p>Also, there are many ways to reach out for help. ROC core teachers understand our students. We never expect you not to need help, and there are lots of ways to go it. We have academic coaches, helplines, emails, phones... etc. We have to rely on you reaching out or responding when we do in order to help you.</p> | | |

Rockets Online Campus Faculty and Staff Highlights

| | | | |
|-------------------------------|----------------|---|--|
| ROC Support Staff | Mr. Wig |  | I am a Titusville graduate and have lived in the Titusville area most of my life. I attended and graduated Edinboro University with a degree in Individualized Studies with a focus in Social Studies. This is my first year working as a member of the ROC support team and I am truly honored to be here and coach all of our students. My wife and I happily call Titusville our home and plan to raise our family here. |
| ROC Elementary Teacher | Mrs. McGaughey |  | Hi!! I am Mrs. McGaughey!! I have been teaching for over 20 years. I began teaching at the ECLC in Titusville where I taught full-day Kindergarten. I am in my 4th year teaching online. I graduated from Titusville and received my teaching degree from Clarion University. I have 2 children, a dog, a cat, and chickens!! Some of my favorite activities are reading, walking with Mr. McGaughey and our dog Maizy, visiting my kids, knitting, crocheting, and yoga. |
| ROC Secondary Teacher | Mrs. Slocum |  | Hello! I am celebrating my one-year anniversary with ROC and am loving every moment of it! I am from Indiana, PA, and have lived in Lewistown, PA, and Titusville, PA. My husband and I love Penn State Wrestling and enjoy watching our kids participate in Cross Country, Marching Band, Swimming, and Track & Field. I love to drink coffee and get lost in a good book. |
| ROC Secondary Teacher | Mrs. Lesh |  | Hello! I have been with ROC for three years. I earned my degree in secondary education from Muskingum University in Ohio. After graduating, I taught in Arizona for 6 years before moving back to be closer to my family. I love all things literature, but I do love poetry above all else! I also have a passion for creative writing. Outside of teaching, I recently earned a master's degree in Clinical Mental Health Counseling and I am a strong advocate for mental health. In my free time, I enjoy spending time with my husband and our four dogs. |
| ROC Special Education Teacher | Mrs. Covell |  | Hi, I am Mrs. Covell! I was born and raised in Titusville, PA. I graduated from THS in 1999. I went to Edinboro University and received my Elementary/Special Education degree in 2003. I also earned my masters in Educational Leadership in 2007 and Special Education Supervisors in 2008. I have been married to my husband Brent since 2005 and we have two daughters who are currently in 9th & 12th grade. My time away from work is spent with my family and I wouldn't have it any other way! |

The Tech Corner: Tips and tricks -Mr. Baldwin

ROC Frequently Asked Questions:

- ❖ I cannot log into Canvas or SeeSaw. It says bad username or password.
- ❖ Answer: Make sure you are logged into the Classlink launchpad. Click on the Canvas or SeeSaw icon.
- ❖ I cannot submit an assignment in Canvas.
- ❖ Answer: Join the Helpline, call us at 814-827-0565, or return to the Orientation Course and review the submission video.

- ❖ I cannot find what I am supposed to be working on in Canvas.
- ❖ Answer: Click on the home button of the course in Canvas. Then click on this week's module. You can also ensure that you are in the "Card View" on your Canvas dashboard. The "Card View" on the Canvas dashboard is done by clicking on the three dots in the upper right corner of the screen. Under "Dashboard view" select the "Card View" option.

- ❖ My WiFi will not connect.
- ❖ Answer: Make sure you are typing in the correct password and check to make sure you have selected the correct Wireless network in your home. If your Chromebook continues to not connect with the wireless network, please call the tech support number or us at 814-827-0565 so we can help.

- ❖ My screen is black.
- ❖ Answer: Make sure your Chromebook has been charged. If not, plug in the power cord and press the power button. If the screen continues to be black, call the tech support number.

- ❖ I cannot log into my Chromebook.
- ❖ Answer: Press and hold the power button on your Chromebook and count to ten. Make sure the Chromebook completely shuts down. After the Chromebook has completely shut down, restart your Chromebook. If the Chromebook continues to not log in, contact the tech support number.

- ❖ My Chromebook will not turn on?
- ❖ Answer: Make sure your Chromebook is plugged in and charged. If that does not work, call our tech support at 814-827-0565.

- ❖ My Chromebook is frozen or extremely slow.
- ❖ Answer: Restart the Chromebook. Hold down the start button until the Chromebook powers back on.
- ❖ I cannot get on IXL. I forgot my password for IXL.
- ❖ Answer: Shut down your Chromebook and restart it. Log into ClassLink. If that does not work, call 814-827-0565 for assistance.

- ❖ My Hue Camera does not work.
- ❖ Answer: Shut down your Chromebook and restart it. If that does not work, call 814-827-0565 for assistance.
- ❖ I cannot find the Attendance App.
- ❖ Answer: Shut down your Chromebook and restart it. Go to ClassLink. If that does not work, call 814-827-0565 for assistance.
- ❖ My Canvas or any of the icons have disappeared from the ClassLink page.
- ❖ Answer: Shut down your Chromebook and restart it. If that does not work, call 814-827-0565 for assistance.

- ❖ My ClassLink home page is not appearing after I log into Google on my Chromebook.
- ❖ Answer: Shut down your Chromebook and restart it. Click the home / house button in the left-hand corner by the refresh button.

If you noticed...many issues can be solved by shutting down your Chromebook and restarting. If that does not work, do NOT wait. Call 814-827-0565 for assistance!

How to Prepare Your Child for the Online School Day!

Online is different than traditional school

| Preparing your Child for Success in Traditional School | Preparing your Child for Success Online |
|---|--|
| You set an alarm daily to get your child up and get them breakfast before catching the bus or taking them to school. | Make a school schedule for at home. Having a daily school routine will help all students be successful online. This can include having breakfast and getting things going on time daily. |
| Students do attendance first thing when they arrive in the school building. | We have an attendance app that every student MUST do daily. This is used to report attendance. Truancy can occur if you skip doing the attendance app. Think of it as skipping a class if you don't click in daily. |
| Student grades and attendance are available through Power Parent. If you have a question you call the school where your child goes to get help. | We also have access for all ROC students and parents through Power Parent. Call 814-827-0565 if you need access. Don't wait for a call or letter. We welcome calls from parents and will gladly share grades and attendance at any time. |
| You check your student's bookbag when they get home from school to make sure they are doing their work. | Online, this can be done in Canvas or on Power Parent. Regularly check in and see if your child has missing assignments. If you have trouble with this, call our ROC Center for help (814-827-0565). |
| You have your child show you their homework when they are finished. | Regularly ask your child to show you their submissions online. |
| Work as a partner with your school, teachers, and support staff. | Work cooperatively with the Rockets Online Campus faculty and staff. You can call or email as much as you need. We welcome the communication. |

Recommended ROC Daily Online Schedule

Obviously, being an online student allows you to have a lot of flexibility in your schedule. We have found that sometimes this flexibility is awesome, but at other times it really hurts a student's ability to achieve online. We have created recommended online daily schedules that will encourage achievement. Even though you are online, you still need to have a routine if you want to be successful! Good luck and remember successful students have structure, even if you are online.

| Recommended Kindergarten Online Schedule | Recommended First and Second Grade Online Schedule |
|--|---|
| 8:00-9:00: Wake up and eat breakfast. 9:00-10:30: Log in to the ROC attendance, complete Language Arts, and attend the Morning Meeting. 10:30-11:30: Complete the assignments for Math. 11:30-12:30: Lunch and movement break (walk and stretch) | 8:00-9:00: Wake up and eat breakfast. 9:00-10:30: Log in to the ROC attendance, complete assignments in Reading and attend the Morning Meeting. 10:30-12:00: Complete the assignments for Math and Language Arts. 12:00-1:00: Lunch and movement break (walk and stretch). |
| Recommended Third, Fourth, and Fifth Grade Online Schedule | Recommended Sixth Grade Online Schedule |
| 8:00-9:00: Wake up and eat breakfast 9:00-11:00: Log in to ROC attendance, complete Language Arts, and attend the Check in and Chat 11:00-12:00: Complete the Math Assignments 12:00-1:00: Lunch and Movement break (walk, stretch) 1:00-2:00: Complete Reading Assignments 2:00-2:30: Movement break 2:30-3:30: Complete Science/Social Studies Assignments | 8:00-9:00: Wake up and eat breakfast 9:00-11:30: Log in to ROC attendance, complete Language Arts and Reading Assignments, and attend the Check in and Chat 11:30-12:30: Complete the Math assignments 12:30-1:30: Lunch and movement break 1:30-2:30: Complete the Science Assignments 2:30-3:30: Complete the PA and the World Assignments |
| Recommended Seventh through Twelfth Grade Online Schedule | |
| 8:00- 9:00: Wake up, have breakfast, get ready for the day 9:00-9:45: Login to your Chromebook and complete the attendance form and set a timer for 45 minutes - work on Math 9:45-10:30: Set a timer for 45 minutes - work on English / 10:30- 11:15- Set a timer for 45 minutes - work on Science 11:15-12:00: Lunch- Set a timer for 45 minutes / 12-12:45- Set a timer for 45 minutes - work on Social Studies 12:45-1:30: Set a timer for 45 minutes - work on PE 1:30-2:15: Set a timer for 45 minutes - work on an Elective 2:15-3:00: Set a timer for 45 minutes - work on an Elective | |

ROC Parent Advisory Board

The Rockets Online Campus Parent Advisory Board was created to engage parents, provide a platform for communication, and provide a venue to make positive changes in our online programming and school. The Parent Advisory Board will be a major contributor to helping our Rockets Online Campus improve.

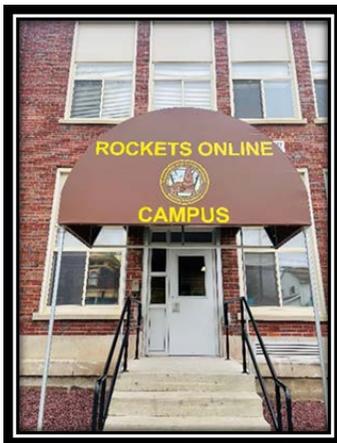

If you would like to assist in making decisions for the school and shaping our online campus efforts, please join us on a Google Meet on **Tuesday, December 12, 2023** at **6:00 P.M.**

ROC Parent Advisory Board

Tuesday, December 12, 2023 • 6:00 – 7:00pm

Google Meet Video link: <https://meet.google.com/khb-thpn-pvv>

Or dial: (US) +1 651-447-6868 PIN: 779 692 669#

The Rockets Online Campus offers students choices to guide their educational experience. Our Rockets Online Campus faculty, staff, and administration will work endlessly to support your student and your family as your child goes through their online educational journey. Our flexibility, passion for support, and solid curriculum will provide all Rockets Online Campus students with a superior educational

opportunity. Please reach out to us and let us help you and your child choose their path and make their online education a positive and rewarding experience.

Thank you,

The Rockets Online Campus Team

Rockets Online Campus "ROC Rising Star" Students

The Rockets Online Campus teachers recognized 34 ROC Rising STAR students. This means that for the first quarter of the 2023-2024 school year they earned a minimum of 70% or higher in all classes. Most of these students have put in a massive amount of effort recently and adjusted their work efforts to improve their grades. We consider these students our "RISING STARS" and are well on their path to academic success! Keep up the good work!

Rockets Online Campus "ROC Star" Students

The Rockets Online Campus teachers recognized 107 ROC STAR students. This means that for the first quarter of the 2023-2024 school year they earned a minimum of 80% or higher in all classes. All ROC Star students put in a massive amount of effort and are achieving online. This requires dedication to their school work, organizational skills, and determination to be successful. We are extremely proud of each of our ROC Star students!! Keep up the good work!
