

# Rockets Online Campus

"Where Every Student Can Learn, Grow,  
and Succeed"

2023-2024

## Welcome Process

## Information and Location:

The Rockets Online Campus Launch Pad is located along the Drake Street side of the Titusville High School in the Titusville Area School District.

The mailing address is 316 North Drake Street, Titusville, PA 16354.

**Hours:** 8:00 AM to 7:00 PM

Thank you for partnering with us, the Rockets Online Campus (ROC). The ROC's main goal is to provide students with choices for their educational path and to engage all students so they will achieve. Our dedicated and highly-qualified faculty, staff, and administration will work endlessly to support each and every student and their family. The dedicated faculty and staff are available to focus on and virtually support all online ROC students. All ROC students will be provided with high-quality and locally-created curriculum. This curriculum has been implemented in all subject areas and electives to provide a variety of superior offerings to our students.

The structure of the Rockets Online Campus focuses on partnering with families and students to achieve success. The program is built to allow for individual differences and circumstances and to work collaboratively in this partnership. Communication between students, families, teachers, and the Rockets Online Campus faculty and staff is the key to student progress, achievement, and overall student success.

The Rockets Online Campus goal is to simply support and serve, which in turn will allow for greater achievement by each and every student as they learn, grow, and succeed. Thank you again for partnering with us and we look forward to serving your students and their families.

Sincerely,

*Michael T. McGaughey, Sr.*

Assistant Superintendent and ROC Administrator

## Rockets Online Campus Mission, Vision, and Values

**Mission Statement** – The Rockets Online Campus will empower all participating students and their families to become active participants in their own learning and equip them with skills for the future.

**Vision Statement**- The Rockets Online Campus will inspire our students to be leaders who learn, grow, and succeed.

### **Rockets Online Campus Values**

- Content- Provide engaging, varied, and relevant content to our students delivered by innovative teachers in a caring culture.
- Integrity- The Rockets Online Campus will act with transparency, honesty, and accountability as we strive for exemplary work and student achievement.
- Innovation- The Rockets Online Campus will encourage new ideas and practices that will foster student growth and achievement.
- Service- The Rockets Online Campus will strive to ensure that all students and their families are provided with positive experiences with our programming being responsive to the student’s and their family’s needs.
- Excellence- The Rockets Online Campus will challenge our students to advance to their highest level of achievement.
- Professionalism- The Rockets Online Campus will place value on all stakeholders. All students and families will be treated with respect, courtesy, and professionalism.

## 2023-2024 Rockets Online Campus Team

## Website

The screenshot shows the website's header with a navigation menu: Home, About Us, Events, Learning, Helpful Links, Contact Us. Below the menu is the Rockets Online Campus logo and the text "ROCKETS ONLINE CAMPUS". A banner image shows students using a laptop and tablet, with the text "Where Every Student Can Learn, Grow, and Succeed!". At the bottom is a navigation bar with icons for Parents, Students, Partner School Districts, Help Center, and Community.

The Rockets Online Campus website is a one stop location for information on our online programming. Links exist for parents and students to receive help, find out more information, or contact our program.

Scan QR code for the Rockets Online Campus website.

[www.rocketsonlinecampus.org](http://www.rocketsonlinecampus.org)

## Steps to enroll a student in the Rockets Online Campus:

<p>Step 1</p>	<p>Log on to the Rockets Online Campus website at <a href="http://www.rocketsonlinecampus.org">www.rocketsonlinecampus.org</a></p>	
<p>Step 2</p>	<p>Click on the Partner School Districts tab</p>	
<p>Step 3</p>	<p>This link will take you to the password protected Partner District portion of the website.</p>	
<p>Step 4</p>	<p><b>All District Partners will have the following user name and password.</b></p>	<p><b>Username: ROC Partner</b> <b>Password: Rockets</b></p>

Step 5  
Once in the District Partners portion of the website, you will see all of the documents that we shared during our onboarding meeting. Important information will be located at this portion of the website for your reference.

## Partner School Districts

Rockets Online Campus is pleased to partner with multiple school districts throughout Pennsylvania to bring students this cyber school experience. Thank you for your support!

### ROC Information

This is a one-stop shop for all ROC materials. Here you'll find the information you need to pass along to interested families.

- [Calendar 2022-2023](#)
- [Course Descriptions](#)
- [District Information Orientation](#)
- [Enrollment Form \(New ROC Students\) - Online](#)
- [Enrollment Form \(New ROC Students\) - Print Version](#)
- [Orientation Booklet](#)
- [Overview Brochure](#)
- [PIMS Staff Information 2022-2023](#)
- [ROC Presentation 2022-2023](#)
- [ROC T ASD District Information](#)
- [Student and Parent Handbook](#)
- [Student Scheduling 2022-2023](#)
- [Student Technology Requirements](#)

Step 6  
To enroll a student, click on the Online Enrollment Form tab.

Step 7  
Clicking on this tab will take you to the 2023-2024 New ROC Student Enrollment Form. You will enter all student information on this form.

		 <p>For all students in K4 through 8<sup>th</sup> grades you do not need to select the courses.</p>
Step 8	For students in grades 9-12, you do need to select the courses. You can click on the courses that you would like your enrolling student to take.	
Step 9	Special Education Chapter 15/Section 504 Gifted Education	For Special Education, 504, and/or Gifted students we will need a copy of the current IEP and the current ER/RR. If your district uses IEP Writer we will contact your Special Education Department to form a relationship with ROC. This will allow us to work collaboratively in IEP Writer. If your district does not have IEP Writer, please email both documents to <a href="mailto:kmcgill@rocketsonlinecampus.org">kmcgill@rocketsonlinecampus.org</a> as soon as possible.
Step 10	Click submit and a confirmation will be emailed back to you for your records.	Any additional comments regarding the enrolling student can be submitted to <a href="mailto:kmcgill@rocketsonlinecampus.org">kmcgill@rocketsonlinecampus.org</a> or <a href="mailto:mmcgaughey@rocketsonlinecampus.org">mmcgaughey@rocketsonlinecampus.org</a>

Step  
11

Once we receive your submitted form, the Rockets Online Campus team will call the parents, arrange the individual student/family orientation, and send them the educational bundle (books and materials). You will need to gather and deliver the technology bundle (Chromebook, mouse, headset, and Hue camera-grades 3-12 only) to the student. Once fully enrolled in ROC we will send you a completed Enrollment Notification Form for your cumulative records.

**2023-2024 Rockets Online Campus**

Email: [kmcgill@rocketsonlinecampus.org](mailto:kmcgill@rocketsonlinecampus.org)

## Progress Reports and Report Cards

Progress reports and report cards will be emailed to our partner districts. Each partner district should then distribute the reports to their students.

## Rockets Online Campus Student Welcome Box or Bag

Required items from your district:

Chromebook 	Chromebook Power cord 	Hue Camera 	Headphones 	Wired mouse 
---	---	---	--	--

Items from the Rockets Online Campus:

Books and workbooks	Mouse Pad	Science Lab Supplies	Books, Workbooks and Learning Materials	Stationary Supplies	Art Supplies	Music Supplies
All items needed for each course will be provided!						

### 2023-2024 Rockets Online Campus Technology Configuration

**Configure your Google admin console to allow students to login to our [@rocketsonlinecampus.org](https://rocketsonlinecampus.org) domain from their Chromebooks.**

All ROC students will receive credentials from ROC. Using these credentials allows them to have single sign-on access to the ROC learning platform and other applications. They will also receive ROC policies via their credentials that includes adding bookmarks to their browser and provides content filtering.

**If you have any technology issues, please contact Kevin Roberts at 814-827-0541 or by email at [kevin@rocketsonlinecampus.org](mailto:kevin@rocketsonlinecampus.org).**

**Special Education Courses**

Elementary Special Education Courses	English Language Arts, Math, Science, and Social Studies Special Education courses
Middle Level Special Education Courses	English, Math, Science, and Social Studies Special Education courses
High School Special Education Courses	English, Math, Science, and Social Studies Special Education courses

The Rockets Online Campus uses IEP Writer. If you have IEP Writer we will create a relationship between ROC and your district. You will not need to send any documents. All transfer of information will occur electronically. If your district does not use IEP Writer, email the current ER/ RR, IEP, NOREP, and any other documentation that you feel is relevant for us to get to know your student. **Your district is responsible for all related services, evaluations, and completing the NOREP.**

**The Rockets Online Campus (ROC) Special Education Team will:**

- Get to know your student as fast as possible and then create a revision IEP that will reflect the student becoming an online student (Typically within the first 30 days of enrollment in ROC).
- The Rockets Online Campus will have administration available, the Special Education Teacher, and a regular education teacher for each meeting. You will need to have the LEA present for any special education meeting.
- The Rockets Online Campus team will create, maintain, and mail the invitations for all IEP meetings.
- Quarterly, our Special Education Teacher/Case Manager will perform progress monitoring and the ROC will send out progress reports to you and the family.
- A copy of all documents will be provided to your LEA electronically.
- All educational decisions will be made by you, the LEA. The ROC Team is there for you to do the work necessary to accommodate, modify, and educate your special education student. All documents will have your LEA approval prior to them being seen by the family.
- All modifications and accommodations will occur through our ROC Special Educational team. A dedicated virtual resource room is also available for our ROC Special Education students.
- IEP meetings will be held virtually and all documents will be signed virtually as well.

**Chapter 15/Section 504 Plans-** All Chapter 15/Section 504 plans will need to be provided to the Rockets Online Campus Team. The ROC administrator will review the plan and ensure that all members of the ROC Team who interact with the student will have a copy of the 504 plan, sign off indicating that they understand their obligations under the 504 plan, and that they will implement the plan. If changes are needed to the 504 Plan, this will be done in collaboration with the Partner District and the Rockets Online Campus Team.

\*\*\*2024-2025- A revision meeting will occur prior to the start of the program for any special education student.

## Rockets Online Campus School Calendar

All students participating in the Rockets Online Campus will follow our Rockets Online Campus Calendar. The students **will not** follow your home school calendar for work days.

First Day Students	August 29, 2023
Labor Day	September 4, 2023
Professional Day	October 6, 2023
Act 80 Days	November 9 & 10, 2023
Thanksgiving Break	November 23-27, 2023
Christmas Break	December 22-29, 2023
New Year's Day	January 1, 2024
Martin Luther King Day	January 15, 2024
Professional Day (clerical)	January 19, 2024
Professional Day	February 16, 2024
President's Day	February 19, 2024
Act 80 Day	March 15, 2024
Easter Break	March 28-April 2, 2024
Professional Day & Prom	May 3, 2024
Memorial Day	May 27, 2024
Last Day of School	June 5, 2024
<b>Snow Day Make-Ups: April 2, March 28, April 1, June 6</b>	

### Rockets Online Campus Attendance:

The Rockets Online Campus (ROC) will provide your district with attendance weekly. This will be emailed directly to you. If an excuse is provided by the family, a digital copy of that excuse will be sent to you. The original excuse will be saved and mailed to your district at the end of the school year.

For your students to be considered present, we expect the students to perform two functions each school day. All ROC students **MUST** complete the daily attendance app. This submission will also serve as a daily communication system for our students and the ROC faculty and staff. The students must also do work in the Canvas or SeeSaw platform for the day to count as a day of lawful attendance. The ROC administration can run analytic reports to see the amount of time and what each student did inside the platform.

Any items that might be needed for truancy or for the SAIP process can be requested. We maintain all analytics on each student every school day.

Eligibility- If you need eligibility run on a student please let us know what day and time you need it reported. We will run an eligibility report and then confirm with our teachers prior to a student being deemed ineligible.

# 2023-2024 Rockets Online Campus Power School Attendance

## ROC Online Campus Attendance Procedures - It takes 13 seconds tops!

1. Click the Attendance button on your [ClassLink](#) page.

[This takes you to the Homeroom course in Canvas.

**You must submit your attendance between 12:01 a.m. and 11:59 p.m. every school day.**

2. Click on the current date in the current MOD.

Go to <https://watch.screencastify.com/v/T2KxheukPTmpSvv8UbBy> for a demonstration of the attendance procedures.

3. Read the instructions. Click on Take the Quiz.

4. Read the information in the box and make the appropriate selection.

5. Submit the Quiz.

**Importance of the Daily Attendance APP**-All Rockets Online Campus students MUST click this and complete the form daily for attendance. This submission will also serve as a daily communication system for our students and the ROC Center faculty and staff. Again, ALL

STUDENTS ARE REQUIRED TO DO THIS DAILY. Skipping the attendance app submission is like skipping a homeroom class in traditional school.

**You must also do work in Canvas or SeeSaw for the day to count as a day of lawful attendance. Failure to do both the attendance app and failure to go into the Canvas or SeeSaw platform will result in an unlawful absence and truancy. You should be in all of your classes every school day!**

**I am attending Rockets Online Campus classes today.**

By selecting "Present" in this attendance box I am certifying that I will attend school for 5.5 hours today (secondary students) or 5 hours today (elementary students). I further acknowledge that I need to attend 180 school days this school year unless formally excused pursuant to ROC's absence policy and procedures.

## Rockets Online Campus Supports

Grade Level	Type of Support	Details
Grades K4- K5 – 10:00 AM	Morning Meeting	The Morning Meeting is a daily virtual meeting with synchronous learning. The meet includes: sharing time, skills practices, story time, movement activities, and fluency drills. There is also a preview of the day’s activities. More importantly, a sense of community is established through this meeting.
Grade 1 – 10:30 AM		
Grade 2 – 10:00 AM		
Grade 3 -10:30 AM	Check in and Chat	The Check-in and Chat is a daily virtual meeting with synchronous learning. There is a greeting and chat time. Questions from the assigned lessons are reviewed with an opportunity to practice skills and get support. The daily lesson is also discussed. Students have an opportunity to interact with peers in a structured school setting.
Grade 4 – 11:00 AM		
Grade 5 – 11:00 AM		
Grade 6 -11:30 AM	Helpline	Both 6 <sup>th</sup> grade teachers are available to support English Language Arts, Math, Science, and Social Studies courses.
Special Education Meets 1:30 PM – 2:30 PM	Helpline / Resource Room	Mrs. Corklin and Mrs. Covell are hosting a daily virtual meeting space for our special education students. Support for all subjects are available during this time.
Grades 7-12 - 9:30 AM – 1:30 PM	Online Help	All four secondary teachers are available to support English Language Arts, Math, Science, and Social Studies courses. Additionally, help for all subjects can occur during this time. Help is just a click away with the Online Help Line!
On Demand Academic Coaching	Academic Coaching	Call 814-827-0565 between 8:00 AM and 7:00 PM and virtual academic coaching is available. You can ask 100 questions and we are just happy to help!

**Reviews** - Every two weeks the Rockets Online Campus will review all students in the program. We will look for the struggling students and ensure that we have communicated and provided supports for those students. With the continuous review process, student intervention and supports will eventually be tailored to fit the needs of each student.

**District Assessments** – In the Fall, Winter, and again in the Spring the ROC Students will be assessed using IXL District Assessments. These assessments will identify deficits and allow our team to know the levels of each student. Individualized remediation success plans will be created for each student who is struggling.

## **Rockets Online Campus On-Demand Academic Coaching**

On-demand academic coaching is available each school day from 8:00 AM until 7:00 PM. This tutoring can provide organizational help, academic help, or just someone to academically coach you through your online difficulties. Some students need more supports than on-demand tutoring. A regularly scheduled tutoring session can be arranged, if needed. Students who use this tend to have better grades and show massive improvements in their performances.

## **PowerSchool and Power Parent**

The parent portal is an online portal accessible anywhere on the web that parents can log into and see all of their children's grades, assignments, scores, and attendance. Information, as well as the user name and passwords, will be provided to each parent.

Partner District Link: [rocketsonlinecampus.powerschool.com/public](https://rocketsonlinecampus.powerschool.com/public)

A District Partner PowerSchool access user name and password will also be provided. You can use this portal to monitor student grades, attendance, and to find a quick link to your student's teachers.

\*\*\*\*Each family is also provided with this link to monitor their student's attendance and grades.

Website: [www.rocketsonlinecampus.org](http://www.rocketsonlinecampus.org)

*Rockets Online Campus --- Where every student can learn, grow, and achieve!!!*
