The Rockets Online Campus (ROC) is an exciting cyber school opportunity for students in grades K4 through 12th grade. Our dedicated and highly-qualified faculty, staff, and administration will work endlessly to support each and every student and their family.

All ROC students will be provided with high-quality and locally-created curriculum. The Rockets Online Campus provides a vast curriculum that is comprehensive and meets the student’s needs and interests. All Rockets Online Campus classes have been created and are supported with local-highly qualified and certified teachers. The structure of the Rockets Online Campus focuses on partnering with families and students to achieve success. The Rockets Online Campus will empower all participating students and their families to become active participants in their own learning and equip them with skills for the future.

The Rockets Online Campus provides both asynchronous and synchronous learning opportunities. All content is designed to provide a rich and solid educational foundation for the student. The courses have a consistent structure or framework and are designed to provide students with a high level of engagement, motivating assignments, and assessments that will indicate academic achievement.

## ACTUAL COMMENTS FROM OUR ROCKETS ONLINE CAMPUS PARENT SURVEY

- “If we have any issues, the teachers are always quick with answers back and getting things straightened out”
- “The teachers are very helpful. We love that they are available during the school day to help with any questions he may have.”
- “Easier for my child to ask questions because in person she wouldn't. A lot easier with our changing of schedules to work on it when we can.”
- “My child seems to be doing better overall. It seems to be helping him get back to his happy self.”
- “Honestly, I am completely happy with everything and the staff is amazing!”
- “My daughter always wanted to home school but I was uncomfortable with it. But after Covid, we decided to try and it has been a blessing. My daughter can work independently and is able to also be employed.”

## Getting Help in the Rockets Online Campus

### Morning Meetings, Check in and Chat, and Online Help Hours

These meetings are scheduled and available for students to ensure that they understand what they are doing in their classes. More importantly, connecting with their teachers is essential to student achievement and success. Many students use the Morning Meetings, Check-in and Chats, and the Helplines to ensure what they are working on is going in the right direction. We encourage ALL students to use this feature of the ROC to help them achieve!!!!
